## Information on the use of cookies

This statement on the use of cookies is made to the user in implementing the decision of the Authority for the Protection of Personal Data of 8 May 2014 "Individuazione delle modalità semplificate per l'informativa e l'acquisizione del consenso per l'uso dei cookie" e nel rispetto dell'art. 13 del Codice privacy (D.Lgs. n. 196/2003).

This site uses cookies to ensure the proper functioning of the procedures. This page provides information about the use of cookies and similar technologies, how they are used and how to handle them.

## Definitions

Cookies are short pieces of text (letters and / or numbers) that allow the web server to store on the client (browser) information to be reused during the same visit to the site (session cookies) or later, even after days (persistent cookies). Cookies are stored, according to user preferences from a single browser on the specific device being used (computer, tablet, smartphone).

Similar technologies, such as, for example, web beacons, clear GIFs and all forms of local storage introduced with HTML5, can be used to gather information on user behavior and use of services.

Later in this document will refer to cookies and similar technologies all by simply using the word "cookie".

# Types of cookies

Based on the characteristics and use of cookies, we can distinguish several categories:

**Cookie technicians.** It is strictly necessary cookies are essential for the proper functioning of the sites and are used to manage the login and access to private functions. The duration of cookies is limited to the work session. Their deactivation compromise the use of services accessible by login. The public part is normally used. This site uses only one cookie of this type.

**Cookie profiling.** These are persistent cookies used to identify (anonymously or not) user preferences and improve your experience of navigation. This site does not use cookies of this type.

## Duration of cookies

The cookies used by this site ends its validity before logging out or after a period of user inactivity set by the server.

## Cookies Management

In general the user can decide whether to accept cookies using the settings on your browser.

- [Chrome](#)
- [Firefox](#)
- [Internet Explorer](#)
- [Opera](#)
- [Safari](#)

The setting can be defined specifically for different websites and web applications.

Warning: Disabling cookie technical compromise the use of the functionality of the site reserved for registered users. On the contrary, the usability of public content is also possible to completely disabling cookies.
